### A RIVER CUTS THROUGH A ROCK NOT BECAUSE OF ITS POWER BUT ITS PERSISTENCE...

**THE TUNICA SHOW** has been in existence for over 19 years. Our annual show brings out an array of new manufactured home designs, the latest in technology, the best in suppliers' offerings and a look at all the newest amenities and system-built options the industry can offer. And just like a river that cuts through rock year after year, the Tunica Show will be around for many years to come!

March is a prime time for The Tunica Show, because builder/developers, retailers, community owners/operators and installers want to place orders and have inventory delivered in time for the spring selling season. They want to have the time to investigate and compare manufacturers and supplier exhibits.

**The Tunica Show is an unparalleled marketing experience that will pay off now and in the future.**
