Forward-looking Statements

Certain statements contained in this release are forward-looking statements. In general, all statements that are not historical in nature are forward-looking. Forward-looking statements are typically included, for example, in discussions regarding the manufactured housing industry; our financial performance and operating results; and the expected effect of certain risks and uncertainties on our business, financial condition and results of operations. All forward-looking statements are subject to risks and uncertainties, many of which are beyond our control. As a result, our actual results or performance may differ materially from anticipated results or performance. Factors that could cause such differences to occur include, but are not limited to: the impact of local or national emergencies including the COVID-19 pandemic, including such impacts from state and federal regulatory action that restricts our ability to operate our business in the ordinary course and impacts on (i) customer demand and the availability of financing for our products, (ii) our supply chain and the availability of raw materials for the manufacture of our products, (iii) the availability of labor and the health and safety of our workforce and (iv) our liquidity and access to the capital markets; labor shortages and the pricing and availability of transportation or raw materials; increased health and safety incidents; our ability to negotiate reasonable collective bargaining agreements with the unions representing certain employees; increases in the rate of cancellations of home sales orders; our ability to successfully integrate past acquisitions or future acquisitions; involvement in vertically integrated lines of business, including manufactured housing consumer finance, commercial finance and insurance; information technology failures or cyber incidents; our ability to maintain the security of personally identifiable information of our customers, suppliers and employees; our participation in certain financing programs for the purchase of our products by industry distributors and consumers, which may expose us to additional risk of credit loss; our exposure to significant warranty and construction defect claims; our exposure to claims and liabilities relating to products supplied to the Company or work done by subcontractors; our contingent repurchase obligations related to wholesale financing provided to industry distributors; a write-off of all or part of our goodwill; our ability to maintain relationships with independent distributors; our business and operations being concentrated in certain geographic regions; taxation authorities initiating or successfully asserting tax positions which are contrary to ours; governmental and regulatory disruption, including prolonged delays by Congress and the President to approve budgets or continuing appropriations resolutions to facilitate the operation of the federal government; curtailment of available financing from home-only lenders and increased lending regulations; the effect of increasing interest rates on our customer's ability to finance home purchases; availability of wholesale financing and limited floor plan lenders; market forces, rising interest rates and housing demand fluctuations; the cyclical and seasonal nature of our business; competition; general deterioration in economic conditions and turmoil in the financial markets; unfavorable zoning ordinances; extensive regulation affecting the production and sale of manufactured housing; potential financial impact on the Company from the recently settled regulatory action by the SEC against the Company, including potential higher insurance costs as a result of such action, potential reputational damage that the Company may suffer and the Company's potential ongoing indemnification obligations related to ongoing litigation not involving the Company; losses not covered by our director and officer insurance, which may be large, adversely impacting financial performance; loss of any of our executive officers; liquidity and ability to raise capital may be limited; and organizational document provisions delaying or making a change in control more difficult; together with all of the other risks described in our filings with the SEC. Readers are specifically referred to the Risk Factors described in Item 1A of the Company's Annual Report on Form 10-K for the year ended April 2, 2022 as may be updated from time to time in future filings on Form 10-Q and other reports filed by the Company pursuant to the Securities Exchange Act of 1934, which identify important risks that could cause actual results to differ from those contained in the forward-looking statements. Cavco expressly disclaims any obligation to update any forward-looking statements contained in this release, whether as a result of new information, future events or otherwise, as required by law. Investors should not place undue reliance on any such forward-looking statements.

Cavco Overview

Quality, affordable homes that provide shelter and security for families across the country

Financial Performance* Twelve months ended October 1, 2022

Revenue

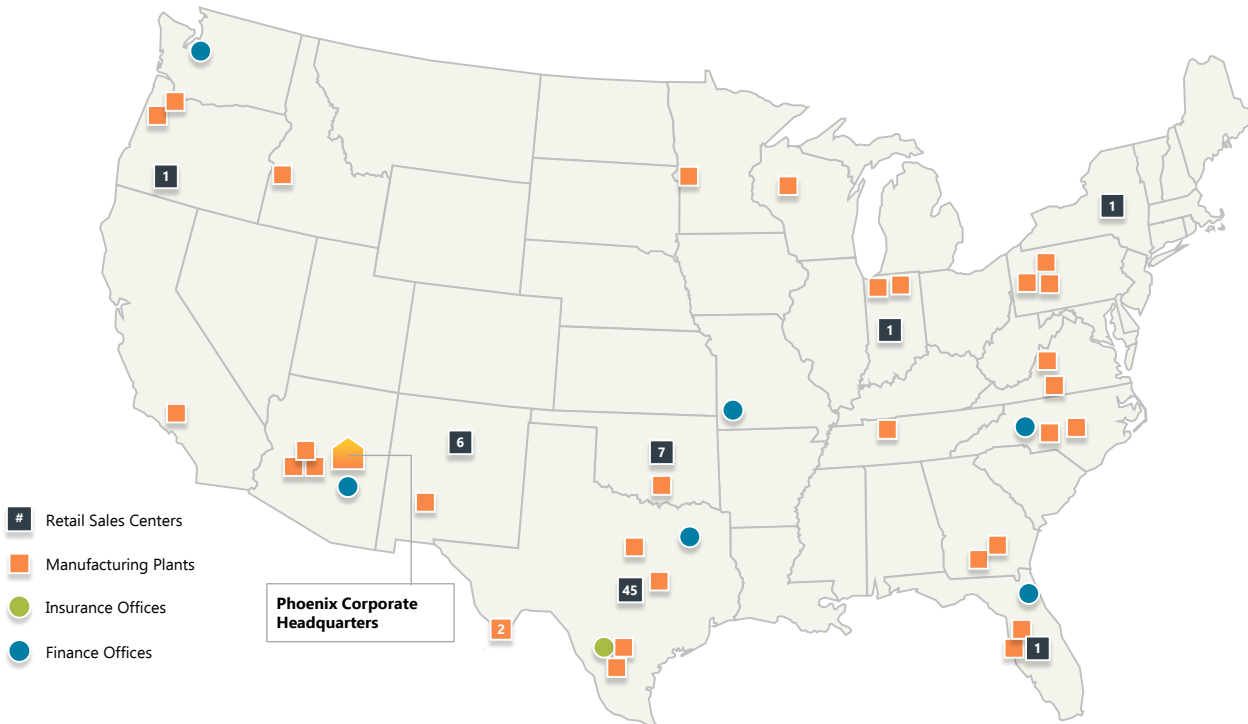

\$2.1B

EBITDA (Earnings before interest, taxes, depreciation and amortization)

15.1%

Gross Margin Percentage

26.0%

* Excludes impact of recently acquired Solitaire Homes

Industry Leader

ONE OF THE LARGEST

U.S. HUD builders, with 31 Production Lines

Financial Services

- Mortgage and home-only lending
- Insurance

Factory-built Advantage

- ✓ Most affordable form of unsubsidized home ownership
- ✓ Less material waste
- ✓ Higher labor efficiencies
- ✓ No land speculation risk

Financial Strength

Strong free cash generation

Demonstrated track record of disciplined capital allocation strategy: M&A and capacity expansion

Community Impact Project of the Year

The Affordable Housing Crisis

"...(in) no market in this country can a homebuilder build a house that is affordable for a first-time home buyer."

National Association of Home Builders CEO, Jerry Howard

JANUARY 18, 2022

A growing share of Americans say affordable housing is a major problem where they live

JULY 14, 2022

There's a massive housing shortage across the U.S. Here's how bad it is where you live

Aug 8, 2022

Three Challenges Facing The Affordable Housing Market—And How Industry Leaders Can Start Addressing Them

Forbes

Why it matters

Nationwide impact with approximately 6 million housing unit deficit

Ownership helps prevent intergenerational poverty

Shortage of affordable housing costs American economy \$2T in lower wages and productivity

Factory-built Industry: Leading the Way in Solving the Affordable Housing Crisis

“ Cavco is building affordable houses for many home buyers.

Quality manufactured homes at affordable price points

Most affordable form of unsubsidized home ownership

Ownership at monthly cost comparable to apartment rents

Average retail sales price approximately \$108,000 compared to \$365,000 for site-built (home only)*

Rising interest rates have proportionally less impact on monthly payment on MH buyers than site-built buyers

Since 2020, Manufactured Housing shipments have increased as a percentage of new single family home sales

Zoning restrictions are beginning to ease in response to affordability issues

The TM Difference

**Corporate
responsibility**

**Superior
homes**

**Financial
strategy**

**Operational
excellence**

**Expanding
capacity**

Corporate Responsibility

Continuous commitment to a positive impact on people, communities and the environment

Our People – ONECavco

**20 %
Increase**

in healthcare enrollment for employees and their families as a result of increased company investment, reducing employee costs

Ignition, Navigate,

Training and development programs help employees grow to their full potential

**Reduced
30-Day
Attrition**

Spark,

Spark, an onboarding program, reduced 30-day attrition from 25–45% at participating locations

Our CAVCOmmunity

Homes for our Own provides education with potential for financial assistance for employees to make their dreams of home ownership come true

Awarded the Manufactured Housing Institute's *Community Impact Project of the Year* in 2022 for The Five Points Neighborhood Initiative in Martinsville, VA

Environmental Impact

Minimizing our environmental impact throughout the entire manufacturing cycle

Our Approach

Reduce waste + Preserve natural resources
+ Increase use of recycled materials =
Reduction in costs **and** carbon footprint

Recycling

- Align recycling efforts with area experts, as each geographical area often has different environmental and recycling standards
- Partner with vendors who share our values — recycling scrap metal, used pallets, baled cardboard, vinyl siding and wood refuse

Green Energy

Solar panels supply ~**60% of electricity** in our Glendale, AZ, plant, **reducing our carbon footprint by ~1,642 metric tons** annually

2,012
acres

Greenhouse gas emissions will be reduced by the equivalent of adding 2,012 acres of forest to sequester carbon dioxide

Additional renewable energy opportunities for our other building facilities are under evaluation

Superior Homes in a Strong Industry

Providing high quality, cost-conscious and innovative housing

HUD-Code Home

Constructed on a permanent chassis to the federal standard

Modular Home

Built off-site, transported, assembled and customized on-site, to local construction standards

Park Model

Smaller homes often placed in hospitality settings

Multi-family/Commercial

A factory-built structure for dormitories, apartments, hotels, etc.

Distribution Channels

Diverse channels provide a broader network for home sales growth

Retail

Company-owned and independent retailers work directly with end customer to customize a home to suit their needs

Builder/Developer

Consistent, robust channel, which includes hospitality and destination/glamping developments

Communities

Capitalize on channel diversification in a growing market, which includes active adult lifestyle communities

Manufactured Industry Drivers

Better value than site-built

Environmental advantages

Demand Drivers

6M
Unit Deficit

Long-term undersupply has led to an approximate 6-million-unit deficit

Buyers from large and diverse markets (first-time home buyers, first-time move-up buyers, baby boomers, empty nesters and retirees) recognizing advantages of quality factory-built homes

Community operators expanding quickly; addressing rental market demand

Zoning improvements and product innovation will open new markets, such as urban locations

Manufactured Housing Industry

36 companies with

145 homebuilding factories

IN 2021

88 %
97 %

of new homes sold under \$200,000 were manufactured housing

of new homes sold under \$150,000 were manufactured housing

Manufactured housing represents 6% of all occupied housing with

22M
Residents

190K

Average annual home shipments since HUD-code adoption in 1976

Source: U.S. Census and Manufactured Housing Institute

Manufactured Housing Industry Annual Shipments

Consistent growth from Great Recession lows

Shipments grew **112%** since 2009 and 2010

Source: Manufactured Housing Institute

Financial Strategy

Proven ability to deliver organic growth, capacity expansion and shareholder value

12 Consecutive Years
of increasing revenue and profit

Strong track record of growth, cost management, strong free cash flow generation and operational excellence

Capital Deployment

Since the start of fiscal 2022 (6 quarters), Cavco committed:

\$244M for strategic acquisitions

\$52M for internal capital projects, including new Hamlet, NC and Glendale, AZ factories

\$99M of share repurchases

Balance Sheet Management

\$ 333M
cash as of Q2-FY23

Zero
corporate debt*

* Undrawn \$50 million credit facility available

MACRO ENVIRONMENT

Despite economic cycles, Cavco will thrive because of:

- Low price point
- No land cost or risk
- Variable cost structure
- Controlled manufacturing environment

Financial Results & Highlights as of Q2'23

Net Revenue (\$ millions)

Income Before Tax (\$ millions)

ANOTHER
STRONG
QUARTER

Net Revenue
\$ 577M

Net Income
\$ 74M

Gross profit as a percentage of net revenue increased to

↑ 27.3%

Earnings per diluted share

↑ \$ 8.25

M&A

Agreement to acquire Solitaire Homes, Inc. to strengthen position in the Southwest, which was completed in January 2023

> \$ 200M

Cash remaining after Solitaire commitment provides ongoing flexibility

AZ

Commenced operations at new park model manufacturing facility in Glendale, AZ

Operational Excellence

Finding innovative ways to increase manufacturing output and efficiencies and improve safety

Safety

Safety Now program builds a safety-first culture

18% fewer recordable injuries in CY2021 despite 3.5% more hours worked

Equipment & Facilities Upgrades

Systematic replacement of aging equipment with less labor-intensive, **safer machines**

Investments in computer-controlled machinery reduces strain on workers and enhances quality

Lean Manufacturing

Increasing productivity

Reducing waste

80+ %

Capacity utilization in production plants

IMPROVING MANUFACTURING

125K

square foot climate-controlled facility in Glendale, AZ

Modern equipment

Computer Numeric Control machines to cut consistent custom components

Automated laser beam measuring for precision utilities placement

Expanding Capacity

Operating with high levels of capacity utilization in production plants

M&A

Added six new manufacturing facilities through the acquisition of Commodore

Added four new production lines with Solitaire Homes and retail distribution across three states

Increased capacity by over 30% with these acquisitions

Plant Investments

Distribution
