MANUFACTURED HOUSING'S BIGGEST OPPORTUNITY IS HAPPENING RIGHT NOW

For years, manufactured housing professionals have understood something much of the country is only now beginning to realize: factory-built housing plays an important role in solving America's housing challenges. Today, that conversation is changing faster than ever. Across the country. [...]

MANUFACTURED HOMES JUST PROVED EVERYONE WRONG! THEY APPRECIATE!

For as long as I've been in this business, there's been one line that just won't go away "manufactured homes don't appreciate." We've all heard it, and we've all had to deal with it, especially from people outside the space who just repeat it like it's fact. But now we've got data from [...]

BOULDERMOD: THE IDEA, THE ACTIONS, THE RESULTS, AND THE FUTURE

Communities across the country are wrestling with the same question: how do we create permanently affordable housing in markets where land is scarce, costs are high, and growth is tightly controlled? Boulder, Colorado didn't just ask the question. They built an answer. BoulderMOD is not simply [...]

WHAT THE HOUSING FOR THE 21ST CENTURY ACT MEANS

The House passage of the Housing for the 21st Century Act marks one of the most consequential federal shifts for HUD Code manufactured housing in decades. While much of the national conversation has centered on Wall Street investors and interest rates, the deeper structural story is about [...]

MANUFACTURED HOME DEREGULATORY PROPOSALS TO IMPROVE AFFORDABILITY

(Source: excerpts from a report by the Bipartisan Policy Center). With an acute national shortage of affordable homes, we must closely examine the complex regulatory landscape that too often adds costs to, and slows the production and preservation of housing. Because there is a bipartisan [...]

DO MANUFACTURED HOMES ACTUALLY BUILD WEALTH?

Behind the technical debates about codes and quality is a simpler, emotional question: If I buy one of these homes, will it actually appreciate—or am I buying an asset that loses value like a car? New data from the Federal Housing Finance agency, analyzed by the Urban Institute, suggest [...]
