We publish MHProNews.com and are preparing a report on property taxes and are looking for an embed code or similar link to a Yes on 3 video like what is seen on your TV ads. It is easy to find anti-Amendment 3 ads, or 'balanced' discussions on 3 by this or that media or organization, but YouTube, Facebook, and X searches have not readily found the same "Yes on Amendment 3" video. Please email that link or embed code. Thank you. Latk

Pam, we operate MHProNews and other media that focus on manufactured housing but do reports on broader housing issues too. We are preparing a report on property taxes and will feature the debate on yes or no on Amendment 3 here in FL (we are based in Polk County). I've found plenty of videos that are no on 3, and social media posts where Gov DeSantis or someone else is advocating for Amendment 3, but not the actual Vote Yes on Amendment 3 thirty second TV spot. Do you not have it on YouTube, Rumble or some other website where we can get an embed code to share it with our readers? Please advise, or better yet, provide said embed code. Thank you.
